1. Product Overview

1.1 Product Name: Radio Receiver

1.2 Product Model: TEF6686

2. Compliance Identification

This product complies with relevant compliance requirements, and the relevant markings are as follows:

☑ CE Mark (EU Compliance Mark): ☑ Ordinary CE Mark □ CE Mark with notified body number (notified body number: _____)

3. Warning&Safety Information

Warning: To avoid personal injury, property damage, or product damage, please strictly comply with the following safety requirements. Failure to comply may result in serious risks.

- Do not use the product for purposes other than those specified in this manual. Misuse may result in product failure, fire, electric shock, and other risks.
- Minors, persons without civil capacity, and those lacking operational ability are required to use this product under adult supervision. The guardian must provide full guidance and assume safety responsibilities throughout the process.
- When the product shows abnormal conditions such as damage, leakage, abnormal noise, and odor, immediately stop using it, cut off the power/gas source (if applicable), do not disassemble and repair it by yourself, contact the manufacturer or authorized after-sales service for handling.
- Avoid placing the product in environments with high temperature, humidity, flammability, explosiveness, and strong electromagnetic radiation. The storage and use environment must comply with the scope specified in this manual.

Safety Information: This product has undergone strict safety testing and meets relevant safety standards, but proper use is a prerequisite for ensuring safety. Please read all the contents of this chapter carefully before use and strictly follow them during use; The manufacturer shall not be held responsible for any losses caused by failure to comply with safety warnings and usage instructions.

4. Product Instructions

- Product inspection: After opening the packaging, check the appearance and components of the product for completeness, without damage, deformation, or missing parts; Check if the product labeling and compliance labeling are clear and distinguishable. If there are any abnormalities, please contact the distributor or manufacturer immediately.
- Disclaimer: The manufacturer shall not be liable for any losses caused by failure to comply with

the instructions, safety warnings, and usage restrictions in this manual, or by self modification, disassembly, or misuse of the product. If there are any updates to the content of this manual, the latest version shall prevail without further notice.
