☑**Ergonomic Shoulder Carry Design**Unique design lets kids sit comfortably on your shoulders, keeping both your hands free for walking, sightseeing, or events.

☑**Adjustable & Secure Fit**Fully adjustable straps fit most adult body types, with a chest buckle for added stability and safety during use.

☑**Breathable & Comfortable**Mesh back panel and padded shoulder straps reduce heat buildup and pressure, making it comfortable for both you and your child.

☑**Lightweight & Portable**The foldable, compact design is easy to carry and store, perfect for travel, theme parks, festivals, and family outings.

☑**Safe for Kids Up to [XX lbs]**Sturdy construction and reinforced straps provide reliable support for children, giving parents peace of mind.
